

Scouting

We have two different groups which meet on a Thursday and Friday night each week. If you did not know that scouts can be for boys and girls both enjoy it very much. You have to be 10-14 years to be able to attend.

Each week when we meet we always start with a flag break then do a game after we do the additional activities and events which vary every week. We as scouts wear green shirts were all are badges that we achieve get sown on and a blue necker, also we have to wear black trousers and shoes.

Each group meet for about 2 hours and during the evening we have loads of fun we do games, wide games, such as rounders and cricket ,(on the field), pioneering - which is making different things out of wood poles and ropes. Also we work towards different badges such as my faith which is studying

different religions, I.C.T., chef, D.I.Y. and much more .

Coming each week is a great opportunity to build friendships and to meet new friends, especially on regular camps we have!

Next year we are looking forward to lots of new camps such as water camp, winter camp, shooting camp, Christmas camp and more

Here are a few of previous camp that we have had an opportunity to go on.
