

# Scarefest!!

We went on a camp named scarefest. The date the camp was the 7<sup>th</sup>-8<sup>th</sup> of November 2009. At this this camp we did a number of actives including climbing, crate stacking, a scary maze and a walk though the wood it was all at night! Because of this camp over lapped remembrance parade we had to have our own at the camp.

At Scarefest there were a lot of scouts including other scouts troops.

This year we was lucky we did not have to cook our own food there was a trailer café.

We really enjoyed this camp because it gave us a chance to do a lot of our favourite activities in the dark. We are looking forward to next year's event.

Thanks for reading.

Hannah, Courtney and Max
